All prices are suggested retail prices for model year 2018, including 25% VAT. | All data is for base models with standard equipment. The calculation of fuel consumption according to 2007/715/EU is based on the empty weight, measured in accordance with this directive. The addition of extra equipment may cause consumption and CO₂ emissions to be slightly higher than indicated. The CO₂ emissions data do not refer to specific vehicles and are not part of a commercial offer.
